Nephron - 2011

Dear Sir/Madam,

We live in an era of evidence based medicine, and one of the largest challenges confronting our practice is keeping us updated with changing recommendations for therapy.

It is with this objective that we have planned a CME on 'Basics & Advances in Nephrology'.

We cordially invite you all to participate in this programme presented by expert faculty where you can sharpen your clinical acumen.

Dr. Bijoy Antony
Prof. & HOD, Dept. of Nephrology,
ACME, Pariyaram.

Registration 8:00 to 8:30am
